

2015 PRISM Awards - Book of Winners

BEST DETACHED HOME 5,000 TO 8,000 SQUARE FEET

Home types include single-family detached homes, condominium homes, and manufactured homes. Square footage is defined as all living spaces measured to the exterior face of the exterior walls and does not include garages, unfinished basements, attics, covered patios, or porches. Entries will be judged on overall exterior and interior architecture, design appeal, function, and creative use of interior space and creative integration of plan design with site considerations.
